Micro Computer Time Recorder

# KINGS POWER

Micro Computer Time Recorder

## Features:

1. Large display, small and compact body. Convenient for table tops or easy wall mounting fits in any narrow space.
2. Accurate perpetual calendar, automatic adjustment at the end of the month and leap year.
3. Maintenance free, long life print head.
4. Fully automatic, across/up/down card printing.
5. Auto-shift IN-OUT printing position, auto-detect the correct side of card.
6. Program can be set by any day of week.
7. Easy to use 2-color cartridge ribbon.
8. Built-in melody chime, with external output.
9. Payroll cut-off date setting can be changed at option, monthly, semi-monthly, weekly & bi-weekly.
10. Programmable multilingual printing capability.
11. Reliable micro-processor control.
12. Lithium battery protects the clock, calendar and program data for 2 years.
13. Back-up battery keeps working in case of power failure.

## Specifications:

Power source : AC110/220V 50/60HZ

Operating conditions : Temperature 0°C-40°C

Humidity 40%-90%

Power consumption : 4W (32W at peak operation)

Printing method : Shuttle dot matrix printer

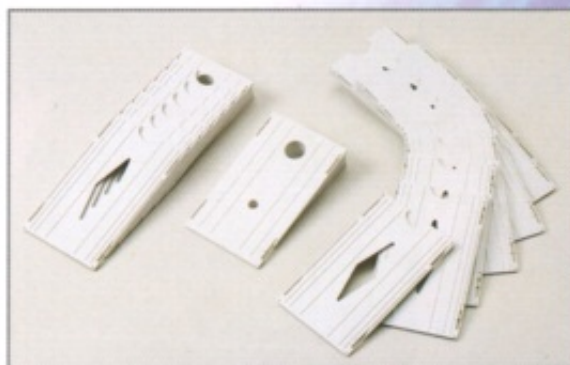

Dimensions : 190(W) x 210(H) x 130(D)mm

Weight : 3kg

Standard time card : 186(H) x 86(W)mm
